

COPD Management Program

Virginia Premier CompleteCare (Medicare-Medicaid Plan), a Commonwealth Coordinated Care Plan, is committed to helping you take control of your health. If you have Chronic Obstructive Pulmonary Disease (also known as COPD or emphysema), our COPD management program will aim to:

- Help you become active in your own care
- Improve your health and quality of life
- Help you understand your COPD

Why participate in the COPD Management Program?

- To get the most current health information about COPD to help prevent flare ups
- To get support from a Registered Nurse

What does the program include?

A nurse will talk with you about:

- How COPD affects you
- Your overall health
- Your feelings about COPD

- Any COPD medications you are taking
- The importance of seeing your doctor
- Any other support services you may need

Follow-Up Calls

After the first call, we will sometimes check in to see how you are doing and to answer your questions. We will give you information and support to help you live a healthy lifestyle. In addition to your COPD, we may give you information about:

- Healthy weight
- Exercising
- Planning meals
- Quitting smoking

How Can I Join?

To learn more about COPD, call your Care manager at 1-855-338-6467 Monday to Friday from 8:00 am to 6:00 pm.

Virginia Premier CompleteCare is a health plan that contracts with both Medicare and the Virginia Department of Medical Assistance Services to provide benefits of both programs to enrollees.
