

Cancer Management Program

Virginia Premier CompleteCare (Medicare-Medicaid Plan) a Commonwealth Coordinated Care plan is committed to helping you take control of your health. If you are being treated for breast, lung, colorectal, or a blood cancer our Cancer management program will aim to:

- Help you become active in your own care
- Help you understand and manage any symptoms and side effects of cancer treatment

Why participate in the Cancer Management Program?

- To get the most current health information about cancer
- To get support from a Registered Nurse

What does the program include?

A nurse will talk with you about:

- How cancer affects you
- Your overall health
- Your feelings about cancer
- Any cancer medications and treatments you are taking
- The importance of working with your team of doctors
- Any other support services you may need

Follow-Up Calls

After the first call, we will sometimes check in to see how you are doing and to answer your questions. We will give you information and support to help you live throughout the different states of cancer including prevention, early detection, and treatment. In addition to your cancer, we may give you information about:

- Healthy weight
- Exercising
- Meal planning
- Quitting smoking
