Pharmacies

This part of the Directory provides a list of pharmacies in <Virginia Premier CompleteCare>'s network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

We also list pharmacies that are in our network but are outside <Virginia> in which you live. You may also fill your prescriptions at these pharmacies. Please contact <Virginia Premier CompleteCare> at <1-855-338-6467>, <8:00 am to 8:00 pm, Monday to Friday>, for additional information.

→ <Virginia Premier CompleteCare> members must use network pharmacies to get prescription drugs.

- You must use network pharmacies except in emergency or urgent care situations. If you go to an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service. Read the <Virginia Premier CompleteCare> Member Handbook for more information.

→ Some network pharmacies may not be listed in this Directory.

- Some network pharmacies may have been added or removed from our plan after this Directory was published.

For up-to-date information about <Virginia Premier CompleteCare> network pharmacies in your area, please visit our web site at <www.vapremier.com/completecare> or call Member Services at <1-855-338-6467>, <8:00 am to 8:00 pm, Monday to Friday>. The call is free. TTY/TDD: <1-800-828-1120/ 1-800-828-1140>.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the Member Handbook and <Virginia Premier CompleteCare>'s *List of Covered Drugs*. You can find the most up-to-date List of Covered Drugs by visiting our website at <www.vapremier.com/completecare>.

Identifying pharmacies in our network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-Order Pharmacies
- Home infusion pharmacies
- Long-term care (LTC) pharmacies

- Specialty Pharmacies

→ You are not required to continue going to the same pharmacy to fill your prescriptions. You can go to any of the pharmacies in our network.

Long-term supplies of prescriptions

- **Mail-Order Programs.** We offer a mail-order program that allows you to get up to a <90>-day supply of your prescription drugs sent directly to your home. A <90>-day supply has the same copay as a one-month supply.
- **<90>-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a <90>-day supply of covered prescription drugs. A <90>-day supply has the same copay as a one-month supply.

<Virginia Premier CompleteCare>'s Network Pharmacies

<Pharmacies are listed by type, which can be seen at the beginning of each section. To choose a pharmacy to meet your needs, first select the type of pharmacy, found at the top of each page, then look for the county, city and pharmacy name, which is listed alphabetically.>
