Virginia Premier 2015 Formulary

PLEASE NOTE: Check your benefit materials for the specific drugs covered and the copayments for your prescription drug program. For specific questions about your coverage, please call the phone number printed on your ID card.

The list may not be all-inclusive. This document is effective August 2015. THIS LIST IS SUBJECT TO CHANGE.

Key
PA = Prior Authorization required
STEP = Step Therapy may apply to some or all strengths of the drug
QLL = Quantity Level Limit
MADD=Maximum allowable daily dosage
AGE = Age limits apply to the drug
SP = Specialty Drug. Preferred Specialty Pharmacy will be listed if applicable.

For the member: Generic medications contain the same active ingredients as their corresponding brand-name medications, although they may look different in color or shape. They have been FDA-approved under strict standards.
For the physician: Please prescribe preferred products and allow generic substitutions when medically appropriate. Thank you.
